

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

Report Cards: Report cards were sent home this past Tuesday. After looking them over and discussing them with your child, please sign and return the envelope to school. You may keep the report card.

Parent-Teacher Conferences: Next Tuesday and Wednesday are Parent-Teacher Conferences. You received information about the exact time of your conference with your child's report card. The teachers are busy that night and have a tight schedule, so please do your best to be on time for the conference. If you are running late or need to reschedule, please contact your child's teacher.

Second Quarter Mission Project: This quarter, our mission project is Costa Maya Ministries. CMM shares the Gospel message to the people of Mahahual, Mexico. A member of St. Paul Lutheran Church, Meghan Mortenson, serves as the administrative coordinator for CMM. Mission offering is collected each Wednesday during our chapel service.

Trunk or Treat: Trunk or Treat is just over a week away! Come in your Halloween costume on Saturday, November 2 between 11:00 AM and 2:00 PM for candy, games, food, and other fun activities. This event is for St. Paul families and community families, so please invite your neighbors and friends.

Family Science Night: Friday, November 8 from 6:00 - 8:00 PM is the date and time for our Family Science Night. Families will be able to visit each classroom and conduct a science experiment.

Boiler Replacement: The boilers are now on! We thank everyone who has given toward this project or helped with it in any way. It is great to have some heat in all the classrooms.

Pablo's Mexican Restaurant Fundraiser: The PTO is hosting a fundraiser at Pablo's Mexican Restaurant, 850 Kepler Dr., on Tuesday, November 5. Come between the hours of 5:00 and 8:00 P.M. and a percentage of your bill will be donated to St. Paul. Pablo's is owned and operated by a member of St. Paul and his family.

OCTOBER 23, 2019

Divine Call Received: On Sunday, October 20, I, Mr. Reich, received a divine call to be principal at St. Mark's Lutheran School in Citrus Heights, California. In our church body, pastors and teachers do not seek a new position, but when a church or a school needs a new pastor or teacher, they contact the church body leaders and get names of people who could fill their vacancy. Over the next few weeks, I'll be talking with leaders at St. Mark's about their ministry and how I could be a part of it. I will also talk with people here at St. Paul about our ministry and future plans. I always welcome your advice and opinions.

First Quarter Honor Roll Names: Congratulations students for your using your God-given gifts and abilities well. CLASSROOM NEWS

7 & 8—Mr. Reich and Mrs. Powers

Thank you so very much to the awesome drivers and chaperones who helped make our Camp Phillip trip happen. We left with a stronger relationship with our Savior, and a stronger relationship with each other. It was an incredible trip!

Report cards came home this week! It is amazing how fast this quarter has gone. We look forward to seeing you at Parent Teacher Conferences. I could really use your help with the Trunk - or - Treat! I need more people to decorate their cars for this event. Please email me or send me a note if you can help. May God bless and keep you always!

5 & 6—Mr. Jammer

A thank you to our parent chaperones and drivers who made our retreat to Camp Phillip possible. See you next week at our parent/teacher conferences. Science test Wednesday, October 30. Study guides were handed out Wednesday, October 23.

3 & 4—Mrs. Plitzuweit

First quarter report cards came home yesterday, please sign the envelope and return it to school. The report card is yours to keep but we use the envelope for the entire year. A schedule for your parent/teacher consultation times should have come home this week as well. I look forward to meeting with you! If you are ordering Scholastic books, get that order in by Monday, October 28. Enjoy your long weekend!

2—Mrs. Bakeberg

Parent/teacher conferences are Tuesday and Wednesday of next week (29th and 30th); you should have received a note indicating your conference time. Please bring any questions or concerns you may have. I'm looking forward to meeting with you again. Looking ahead on the calendar for whole school events, we have Trunk or Treat and Science Family Fun Night coming up in November. Enjoy the extra time with your children this Thursday and Friday!

1—Mrs. Blum

The first quarter is complete and first graders are becoming confident learners! They are realizing that some tasks are challenging and there is much to learn, but they can do it! They are growing as readers, writers and mathematicians. They are learning to problem solve together and appreciate each other. Enjoy the four day weekend this week and we'll be back at school on Monday, the 28th!

K—Mrs. Jammer

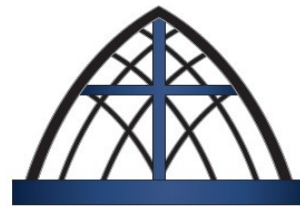

I am looking forward to meeting with you at parent-teacher consultations. Please come with any questions and concerns. Has your child become more fluent at reading the blends and words on the blue

sheet? Are the sight words recognized instantly? We are learning about Martin Luther in our devotions. I sent home the blankets so they can be washed. Please return them on Monday. Thank you!

3K & 4K—Mrs. Nelson and Mrs. Zabell

During our Bible time, we heard how God had a plan for Moses to lead his people back home. God's plan for us is to "preach the good news" by telling them about Jesus. Just like Moses, we know God is with us and will bless our efforts. We also spent some extra time sharing books about good manners and managing our emotions. Last week was the end of the 1st quarter. Your child's first progress report and parent/teacher consultation time is coming home Tuesday. Please take note of your time, come with any questions or comments, and be prompt for your meeting since we only schedule about 15 minutes per visit. If you have concerns any time, please always feel free to talk to one of our teachers!

Athletics—A BIG THANK YOU to Mr. Kyle Witte and Mrs. Megan Graff for coaching our Girls' B volleyball team this fall! Please make note on the basketball calendar that your absent-minded athletic director put the Advent services in November instead of December where they belong. Just switch the practice times between the two months. The (purple) calendar posted in the Activity Center has been updated. If you would like a new purple calendar, just stop by Mr. Jammer's classroom sometime. All cross country, soccer, and volleyball players should return their clean uniform shortly after the last game of the season. *For information concerning our league (schedules, maps, results...) visit our Fox Valley WELS League website.
