

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

Teacher Appreciation Week - On behalf of the staff, thank you students (and parents!) for the gifts, pictures, and cards this week. It is always nice to receive encouragement. A special thanks to the PTO officers for putting this week together, sponsoring our teacher lunch tomorrow, and for the volunteers who are supervising classrooms in the afternoon.

Divine Calls - Please continue to keep Mr. Ryan Loberger (principal), Mrs. Ashley Hepner (grade 4 and Spanish help), and Mrs. Nikki Steenbock (grade 3) in your prayers as they continue to deliberate the calls we have extended to them.

Job Openings - The Board of Christian Education is looking to fill many positions for the 2021-2022 school year. Full-time and part-time classroom aides are needed. Workers for after-school care are also needed. Next year, Mrs. Seyler will only be a classroom aide and will not be working in after-school care. In order to have after-school care beyond 3:30 P.M., we need more workers. If you or someone you know is interested, please contact the school office. Even if you are only able to work a day or two in after-school care, your help is greatly appreciated!

Last Day of School - The last day of school has bumped up a day to Wednesday, May 26. After chapel, the students will participate in games and activities at Astor Park. Dismissal will be at 11:30 A.M. After-school care that day will begin at 11:30 A.M. There will be no hot lunch available for those staying for after-school care.

Payments due - just a quick reminder that statements will be going out for tuition, hot lunch and daycare. Payments may be dropped off at the office, mailed in or use Vanco. If you have any questions please contact the office at 920-435-8468 or email office@stpaulgreenbay.com.

MAY 6, 2021

May Musical - Next weekend is the big weekend! Students in grades 5-8 will be performing Disney's *Beauty and the Beast* on Friday, May 14 and Saturday, May 15. Both performances will be at 7:00 P.M. A link was sent out to all school families to register before the performances. If you have any questions about registering, costumes, or anything else about the musical, please contact me (nate.reich@stpaulgb.com).

Graduation - Our 8th graders will graduate on Sunday, May 30 at the 10:30 A.M. service. This year, the entire school will NOT be singing. Reports for all students will be available for pickup at that service.

Vacation Bible School - St. Paul will host a vacation bible school June 14-18 from 9:00 to 11:30 A.M. VBS is for students going into 3K through 6th grade for the 2021-2022 school year. Students going into 7th and 8th grades may be helpers. Older teenagers and adults are also invited to help. There is no cost to attend. If you have any questions, please contact Mr. Schaeewe (pschaewe@stpaulgb.com).

CLASSROOM NEWS

Preschool—Mrs. Nelson

We found a sparkly way to get our muscles ready for writing in kindergarten -- glue bottles and glitter! We are working with sequencing and shapes and learning how to play the board game Trouble. In the parable of the Good Samaritan, Jesus taught us that we show thanks to God when we love and serve others. Thank you for showing appreciation to Mrs. Brubaker and me this week!

Preschool—Mrs. Zabell

We learned how Jesus asks us to show love to our “neighbor”. We are thankful for Jesus’ perfect love, even when ours fails! We enjoyed learning the game “War” which helped us with numeral recognition and number values, we painted with odd items like toothbrushes and corks, we made our own “rainbow fish” and worked a lot with letter recognition and matching. Thanks for making Mrs. Herre and I feel so special this week with the appreciation gifts and allowing us a lunch outing on Friday!

K—Mrs. Jammer

This week we read informational books on ants and rocks and then wrote about them. We also are learning to identify 3-D shapes and count by 2’s. We are working towards the goal of 100% of the kindergarten students being able to tie shoes by the end of the school year. Congratulations to those who can! Thank you for your gifts and kind words of appreciation this week. It means so much.

1—Mrs. Blum

Thank you for all the special teacher appreciation gifts and notes! I feel so loved and the kids have been so excited to give them to me. Thank you for all you do to support the teachers and staff at St. Paul. Continue to encourage your kids to do their best until the very last day! Keep learning Memory Treasures, reading at home and getting enough sleep!

2—Mrs. Bakeberg

Thank you, parents, for the thoughtful and fun gifts this week! I just finished reading The Miraculous Journey of Edward Tulane to the class, and they loved it! If you are looking for a great book to read, I recommend it, even for adults. We are working on memorizing the 2’s, 3’s, 4’s, and 5’s multiplication facts. That’s all the farther we go in 2nd grade. Kids are working hard to get through as many levels as they can on Lexia before the end of the year.

3 & 4—Mrs. Plitzuweit

Just for clarification and a reminder, the student book reports are based on a book that the students read independently. Most of the students have done a good job of taking on that responsibility. Please check with your student and encourage them to be reading at home for this last project. The students have all the information they need to complete that last book report. We are busy tackling some fun projects within the classroom as well! I look forward to you seeing those! Be studying all 50 states and capitals. Have a great weekend!

5 & 6—Mr. Jammer

Thank you for all the kind words, cards, and gifts this past Teacher Appreciation Week. They all are truly appreciated. Only a few days remaining before our *Beauty and the Beast* performances!

7 & 8—Mrs. Wong

Thank you for all the thoughtful gifts this week! I have candy to last me for months. :) Thanks to Mr. Schaewe, our set is starting to get set up for Beauty and the Beast! As the play gets closer, we need all students to have their parts memorized. This goes for those singing in the chorus as well.
