

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

Divine Calls: At a call meeting last Thursday, the voters of St. Paul extended a divine call to Miss Cassie Krug to serve as our new grade 3 teacher. Miss Krug is currently teaching 5K and grade 1 at a Lutheran school on the southside of Houston, Texas. Besides teaching grade 3, we are asking Miss Krug to help out with Spanish communication.

Mr. Jared Brennan has accepted the call to serve as our grades 7 and 8 teacher and technology director. Praise God that he is coming to St. Paul next school year! We ask that God be with his current school, Grace Lutheran in Oshkosh, as they have to fill his position.

Pastor Nass continues to hold calls to Round Lake Park, Illinois and Tulsa, Oklahoma, and I continued to hold a call to Redeemer, Tucson, Arizona. Thank you for all of your prayers and encouragement for all of us holding calls.

CLASSROOM NEWS

Preschool—Mrs. Nelson

We're hanging out at home this week, learning about sea creatures and hearing about Jesus healing ten sick men. That reminds us to thank God for all that He does for us, especially for forgiving our sins so we can be in heaven with him someday. "Give thanks to the Lord, for He is GOOD!"

Preschool—Mrs. Zabell

We learned how Jesus healed ten sick men and are reminded to give thanks to God for his many blessings, especially for making us his children and heaven! We discovered things that were magnetic and worked with patterning and counting more this week.

K—Mrs. Jammer

We've been working with rhyming words, recognizing numbers 1-100, instrument families in music, and bean bags in phy ed. We heard how Jesus rode a donkey into Jerusalem a few days before he would die to take away the sins of all people (Palm Sunday). Just as people praised him then, we too use our voices and actions to praise Jesus, our Savior and King.

1—Mrs. Blum

The first graders are excited to be back and are ready to learn. We are making nonfiction books about a chosen habitat and are including many different nonfiction features. They know lots of things about their chosen habitats as we are studying habitats in Science. Now that it is warming up, we are going out to recess three times a day. Please make sure your child has dry snow gear to wear every day. Thanks!

2—Mrs. Bakeberg

We learned about Jesus' ride into Jerusalem on Palm Sunday, and how loving it was for him to go into that city even though he knew that he was facing death by crucifixion and bearing the weight of our sins. We are just starting regrouping in math, where tens are changed into ones for the purpose of subtracting. Cursive writing is going well! In science we made sand sculptures.

3 & 4—Mrs. Plitzuweit

Welcome back! The kids did an amazing job being responsible and taking ownership of their learning during distance learning! I am going to encourage that drive to continue in the classroom. I will be out of the classroom next week Monday through Wednesday as I will be on an accreditation visit for another school. Mrs. Kratz will be subbing for me. We will be exchanging our class Valentines tomorrow. The third quarter book reports are due Monday, March 8. Please be encouraging the reading and working on that at home. They only use free time at school to work on it in the classroom. Have a good weekend!

5 & 6—Mr. Jammer

With this past Wednesday being the start of Lent, we worked with oil pastels making "stained glass windows" showing various symbols that represent

Jesus and/or Lent. In Christ-Light, our lessons will be focusing on Passion Week, Jesus' final week where he entered Jerusalem and suffered, died, and rose for our salvation.

7 & 8—Mrs. Wong

This week we took a look at Russian geography and culture. Ask your child what interesting facts they've learned about Russia! We also saw how an author brings a story to life by their careful attention to details.
