

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

WE'RE BACK! After 166 days, there are finally students back in the classrooms at St. Paul! The teachers and staff are thrilled to be able to work with our 145 students each and every day. We thank our Heavenly Father for bringing us back together as a St. Paul Family and we ask for His guidance and grace throughout each day this school year.

School Theme - This year, the FVL Schools theme is *Run to Christ*, which is based on the words from Matthew 11:28-30. In these verses, Jesus is invited all who are "weary and burdened" to come to Him for rest. What a fitting passage to use as our theme this year! The year 2020 is one that none of us will ever forget. It seems that each new day brings more stress, confusion, anger, and sadness. Whenever you feel down and no longer know where to turn, run to Christ. Give all of your hardships to Jesus and find peace in His grace.

Procedures - Thank you to all for your comments, questions, and patience as we figure out our COVID-19 procedures. The goal is always to keep the students and faculty safe while still providing a strong education. As with everything else related to this pandemic, procedures will change throughout the year. The latest changes will be highlighted in this weekly newsletter.

Changes to the Staff - We have some new faces on our staff this year!

- Mrs. Kaitlyn Wong was assigned a one year call to be our grades 7 and 8 home-room teacher. Her new husband, Nate, is the vicar (student pastor) at Beautiful Savior Lutheran on the west side.
- With the increased enrollment in our school, Mrs. Bethany Parsons was called to be another extended learning teacher. Mrs. Parsons is married to Pastor Wolf Parsons of Divine Savior Lutheran in Shawano and is the mother to three children

AUGUST 27, 2020

(with her oldest in our 4K class). Mrs. Parsons, like Mrs. Powers, will be working with individuals and small groups in many of our classrooms.

- Mrs. Angel Brubaker will be another classroom assistant in preschool. Mrs. Brubaker and her husband Chad have two children in our school.

We welcome these new staff members to the St. Paul Family and we ask our God to bless their work among us!

Morning Drop-off - In order to not have the doors get congested in the morning, students will be entering either the main school door (door 3, by the flag pole) or the other door on the front side of the school (door 4). Here are the doors each classroom should enter:

- Door 3 - Mrs. Nelson's class, grades 1, 5-6, and 7-8
- Door 4 - Mrs. Zabell's class, grades 5K, 2, and 3-4.

If you plan on parking your car and walking your child to school, please park on the opposite side of Clay St. Thanks!

Afternoon Pick-Up - Thank you for your patience as we work through our new dismissal procedures. Please remember to enter on Webster Ave and exit on Clay St. All students will exit the building with their class and wait with their class until I call them over to meet you. We are doing this so that we know who every student is leaving with at the end of the day.

Office Information: The office is open from 7:45 am to 4:00 pm. Mrs. Ziegert is in all day, 5 days a week, to take calls or messages. Scrip is available during open office hours. She can send home a form if you are interested in ordering gift cards. Mrs. Ziegert will also be handling all billing questions for Tuition, Hot Lunch, and Child Care.

CLASSROOM NEWS

7 & 8—Mrs. Wong

We are ready for an awesome school year despite how different it may look! This year our class will have a "Survivor" theme. We will take the first few weeks to get back into the swing of school and build close relationships with classmates.

5 & 6—Mr. Jammer

WELCOME BACK! We're back in school finally! We went through a lot of information the first few days of school (PBIS, COVID Safety Guidelines, Classroom/School Procedures, Fire/Tornado/SAFER Drills...). If there are any questions or concerns, don't hesitate to contact me. These first few days and weeks of school will be an adjustment period for everyone. We welcome a number of new classmates to the 5th & 6th grade classroom.

3 & 4—Mrs. Plitzuweit

We had a great first day!! It was a long day but the kids did so awesome with keeping up their endurance and dealing with their masks. We did a lot of projects today that focused on being able to identify our feelings and give them a name. We also talked about how we SOAR and why we SOAR. Jesus is our motivation for everything! Looking forward to finishing this short week with them!

2—Mrs. Bakeberg

Welcome to St. Paul! With our pandemic situation, I feel like we're all new families this year, whether your family has been here for many years or not. I am so thankful that we are able to begin in person. We will start using Raz Kids, Lexia, and Seesaw right away this year. Please watch for an upcoming note with directions and a QR code on it for you to get Seesaw Family for your son or daughter. This is a free app that will give you a look at what's happening during our day as we post pictures and recordings of the work we're doing in class. It will also serve as our platform if we would have to begin distance learning at some point, so it's important for you to get it. I am putting this school year in the Lord's hands. We do what we can responsibly do as teachers, parents, and students. Then we give it to the Lord and let him work out his will for us. So glad to have you here with us in our St. Paul Lutheran family!

1—Mrs. Blum

Yay!!! It's the first week of school! I am so grateful to be with your children each day and am asking God for many more days of learning, love and laughter to come. As we settle in, I will contact each family, let you know what I'm noticing and if there is anything else your child might need at school. Please reach out to me if you have any questions!

K—Mrs. Jammer

It has been fun seeing our old classmates and meeting new ones. We have 16 students in our class! We met our first Superkid "Cass" who is teaching us about the letter C. We are becoming familiar with the school routines and learning to SOAR (Be Safe, Optimistic, Accountable, Respectful). Mrs. Denise Seyler is our classroom aide this year. Remember to contact me if you have any questions and concerns.

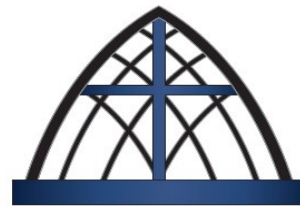

3K & 4K—Mrs. Zabell

It's great to be together and make new friends! We have talked about our school routines and learned how God created our beautiful world. We practiced good hand washing and discussed how to stay healthy. Thanks to our parents for the great communication through our classroom Facebook page! Keep looking there for up to date information and updates.

3K & 4K—Mrs. Nelson

What fun it is to be in school! We are checking out our new classroom and learning our schedule and routines. Every day we sign in and answer the question of the day. We are also learning the names of our friends. In Christ Light we are hearing and singing about how God created our wonderful world. Mrs. Bushner is our aide this week and then we will switch to Mrs. Brubaker.

Athletics—Stay tuned for information about our annual athletic meeting. This is a mandatory meeting for any student and a parent who is considering participating in any of our extra-curricular athletics. Our hope is to start basketball in December and have soccer and volleyball in the spring. *For information concerning our league (schedules, maps, results...) visit our Fox Valley WELS League website. This can be done through a link on our church/school website. www.stpaulgreenbay.com*
