

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

Spirit Week -

Spirit Week was a huge success! It was great to see so many students participate in the dress up days. For the Penny Wars, the 3K-5K classes won! Overall, \$567.92 was brought in for the PTO. Thank you to our cheerleaders for a great pep rally. The only downfall was that "Mismatch Day" did not happen because of the snow day. That day will be made up at some other time this spring.

Wisconsin Parental Choice Program -

Enrollment is now open in the WPCP. All families who currently have a voucher need to reapply. For families with students in 3K, 4K, and 5K who do not currently have a voucher, there is a possibility to receive one for next year. If you have any questions about the program, please contact the school office or the Department of Public Instruction's website. (<https://dpi.wi.gov/parental-education-options/choice-programs/student-applications>).

Divine Calls:

A call meeting for a grade 3 teacher will be tomorrow, Thursday, February 11 at 6:30 P.M. All members of St. Paul are invited to attend.

Mr. Jared Brennan continues to hold the call to serve as our grades 7 and 8 teacher and technology director. Pastor Nass continues to hold two calls, one to Round Lake, Illinois, and one to Tulsa, Oklahoma. And I continue to hold a call to serve as principal at Redeemer, Tucson, Arizona. Thank you for your prayers for all of us holding calls and your encouragement.

Sunday Worship -

What a blessing it is that more people are coming to worship services each weekend! But, as we strive to keep people safe during this pandemic, it is important that our church is not full. In order to provide more space, a third Sunday service is being added at 9:15 A.M. This service will continue for at least the next few months. Please register for services online. An email is sent out every Tuesday. If you do not receive emails from our church and want to attend this weekend's services, please contact the church and school office (920-435-8468). The Sunday morning Bible Class is being moved to Wednesday at 5:15 P.M.

FEBRUARY 10, 2021

Lenten Services -

Next Wednesday, we begin the season of Lent. For the next six weeks, we will reflect on the life of Jesus and His journey to the cross at Calvary, and finally victory from the grave on Easter morning. Ash Wednesday is on February 17. For Ash Wednesday and the following five Wednesdays, special worship services will be at 3:45 P.M. and 6:30 P.M. All are invited to attend!

February Break -

Remember we have no school for the rest of this week or on Monday. Enjoy the break and see you on Tuesday, February 16.

After School Pick-up -

If it is very cold, like it has been this past week, we will dismiss the students from the gym. Also, please keep students off snow piles at the end of the day. Thank you for your cooperation!

Snow Days -

If school is cancelled because of winter weather, the school office will send out an email (please check you spam, sometimes mass emails go in there), there will be a Facebook notification, and our school will be listed on WBAY Channel 2. Once Green Bay Area Public Schools return to in-person instruction, we will be following their lead when it comes to cancelling school. Even so, for this year, you will receive an email every-time school is cancelled.

Live Streaming Home BB Games

- We will be live streaming our home basketball games through YouTube.
- All you need to do is use our St. Paul website at stpaulgreenbay.com. Scroll down and click Watch our Services (blue box). This will get you to our St. Paul YouTube page.

Upcoming Dates

February 11-15 - Teachers' Conference Break
Wednesday, February 17 - Ash Wednesday services at 3:45 and 6:30 P.M.
Friday, February 19 - Home Girls A Basketball (4:30 P.M.) and Boys A Basketball (6:00 P.M.)

CLASSROOM NEWS

Preschool—Mrs. Nelson

We've been doing all sorts of math with candy hearts lately...number recognition, counting, graphing, estimating, measuring, and patterning. During Bible time, we learned that Jesus takes care of all our daily needs, including forgiveness. It was wonderful to hear your kiddos proclaim the good news of Jesus in church on Sunday!

Preschool—Mrs. Zabell

Thanks for braving the cold and bringing your children to sing in church on Sunday. They sounded great and shared a wonderful message! In our Bible time we heard how Jesus fed thousands with a boy's small lunch. Jesus cares for our needs as well. It was a celebratory short week as we observed our 100th day of school and also got to exchange valentines. Thanks for the treats :) Enjoy your break!

K—Mrs. Jammer

Thanks for bringing your children to sing in church. What a joy it was to see and hear them praising God through song. We are at that point in the year when the children are doing lots of reading and need to be able to comprehend what they read. This takes lots of practice at home and school. Books at different reading ability levels are now on the Superkids Online Fun app and more are added with each new unit. Right now the b and d can be confusing for students as they look similar. Enjoy your days off Feb. 11-15. Happy Valentine's Day!

1—Mrs. Blum

Enjoy your long weekend and I look forward to seeing your children again on Tuesday, the 16th. Many first graders have colds and the sniffles, so make sure to wash their things and help them get good sleep over the break! I pray you all stay warm and safe!

2—Mrs. Bakeberg

It's been a cold week with indoor recess. We have been doing some president activities, and have been listening to books about Washington and Lincoln. Second graders are writing opinion statements followed by a "who said so" or a "number" statement to support their opinion. Ask them about it! Many kids can use some extra practice at home on subtraction flashcards (up through minus 5). Hopefully you get to have some family time during our break. School resumes again on the 16th.

5 & 6—Mr. Jammer

We are currently studying the phases of the Moon in science. "Hats Off" to those students who performed the Grade 5 and Grade 6 class cheer at the pepfest, Friday! Enjoy the long weekend!

7 & 8—Mrs. Wong

This week we saw how extraordinary leaders lead with all their soul. We want to be known as people who put others before ourselves, patiently listen, and are always ready to share the good news of Christ's salvation.

Junior Choir -

We will be singing for the 8:00 and 10:30 services on Sunday, February 28th. There will be two groups again, like we did last time, to have fewer people at services. Please watch for the email listing the groups and at which service they sing (not necessarily the same as last time).

Child Care Worker Needed

We are looking to hire an individual to help out each weekday from 3:00 to 5:30 in the child care room. If interested or have any questions please contact Mr. Reich.

Athletics—

Wednesday, February 10 - B Teams at SVLS, Menasha - Girls' B Cancelled, Boys' B (6:00 pm). **Remember the Back to Sports (Covid Plan and Protocols).** Next week's games: Friday, February 19 - A Teams vs SVLS, Menasha - Girls' A (4:30 pm), Boys' A (6:00 pm).
